Recruitment of Individual Financial Specialist Consultants  
Package Nos. MEF-CS01 to CS06-ADB**

1. The Kingdom of Cambodia has received financing from the Asian Development Bank in the form of loans and grant [Loans 4013(ADB), 8387(AFD), 8389(AIF) and Grant 9216(JFPR)] towards the cost of Agricultural Value Chain Competitiveness and Safety Enhancement Project (ACSEP). The project will strengthen value chains of competitive agricultural products (CAPs)—cassava, mangoes, cashew nuts, vegetables, and native chicken—in the provinces of Kampong Cham, Kampong Thom, Oddar Meanchey, Preah Vihear, Siem Reap, and Tboung Khmum. The project will (i) facilitate access to credit for agro-enterprises and agricultural cooperatives; (ii) promote viable market links among agro-enterprises and agricultural cooperatives, and enhance food safety and quality; and (iii) improve farm-to-market connectivity. The project will benefit about 230 agricultural cooperatives (about 27,000 households) and about 50 agribusinesses in the project areas.
2. The Ministry of Economy and Finance (MEF), implementing agency (IA) for ACSEP output 1, invites Expressions of Interest (EOIs) for the consulting services as Individual Financial Specialist Consultants (FSC) to provide technical and administrative support to the MEF in implementing output 1. The FSC team will closely work with the participating financial institutions (PFIs) to implement three ACSEP financial schemes under output 1, namely, the agricultural value chain loan credit line (AVCL-CL), equity capital loan credit line (ECL-CL), and credit guarantee fund (CGF). The FSC team will closely coordinate with ACSEP PIU for output 1 particularly on financial aspects, capacity building and outreach to potential subloan borrowers. The duration of the services are varied and based on the professional specialist requirements and can be extended depending on the need.
3. The FSC team will be engaged under time-based contracts and will comprise of two international and four national experts, namely: (i) international agribusiness finance specialist; (ii) international credit guarantee specialist; (iii) national agribusiness finance specialist, (iv) national financial management specialist; (v) national project administrator, and (vi) national credit risk management specialist. *om AR*
