State Budget Implementation

May, 2022

Content	Page
1. Brief	1
2. TOFE	2
3. Table of Ministry and Institution Spending	7
4. Note: Report preparation	9

1. Brief Note

Taking into consideration the current economic conditions of the Cambodian economy, the 2022 budget law has been prepared in line with the priorities of restoring and promoting the growth and revitalization of the Cambodian economy – society, expecting a 5.6 percent growth rate in 2022. As a result, the state budget within the first 05 months of 2022 was implemented as follows:

The implementation of the domestic revenue of the Budgetary Central Government (BCG) reached 10,759 billion riels, equivalent to 48.37% of the 2022 budget law, which is similar to the implementation in the same period in 2021. Of which, tax revenue reached 50.02% and non-tax revenue reached 32.25% of the 2022 budget law. Based on the historical trends of revenue performance over the past years, coupled with the recovery of Cambodian socio-economic activities, the revenue performance of 2022 is on track to meet targets set out in the 2022 budget law.

The implementation of the total expenditure of the BCG reached 11,115 billion riels, equivalent to 35.74% of the 2022 budget law, an increase of 19.53%, of which current expenditure reached 6,827 billion riels increased by 14.42%, while capital expenditure reached 4,287 billion Riels, an increase of 28.68% compared to the same period of 2021. Overall, the budgeted expenditure for 2022 upholds the premise of minimizing unnecessary spending while shifting the priority to further combat the consequences of the Covid-19 pandemic.

Amid the COVID-19 pandemic, the Royal Government has carefully and effectively managed and utilized the total financing, which is able to sustain the above implementations in a timely manner. The total implementation of foreign financing reached 3,681 billion riels, or 53.95% of the budget law, while the total government deposits amounted to 78 billion riels.
